Mobile App
Native iOS & Android companion for on-the-go portfolio management.

THE CONCEPT

PROBLEM

- Financial risk for beginners
- Complex PSX terminology
- No safe practice tools
- Educational gap in market

SOLUTION

- Virtual 1M PKR capital
- Real-time PSX prices
- Buy/Sell order mechanics
- Portfolio PnL tracking

USE CASES

Students

Investors

Educators

Enthusiasts

Researchers

USER JOURNEY

1 Register & Get Started

2 Place First PSX Trade

3 Track Portfolio & P&L

4 Learn with AI Insights

WHY TRADEUP MATTERS

Economic Empowerment

Drives investment literacy and financial participation across Pakistan.

Educational Innovation

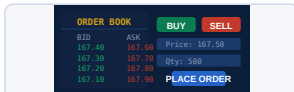

Full investment cycle learning in a consequence-free environment.

Risk-Free Learning

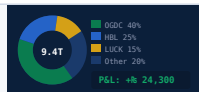

Simulate real PSX trades with zero financial exposure or downside.
